(Note: for every 5 hours of work, there needs to be 1 individual or 2 group consultation/ supervision hours)

If group, there needs to be a minimum of 6 supervision/ consultation hours.

If individual, there needs to be a minimum of 3

Any licensed clinician can sign these hours, so long as they are in good standing with their Board.

Consultation is for those who have their own business.

Supervision are for those who are employed by the supervisor.

What gets covered in supervision?

What should supervisees bring to supervision with them?
